d'Atri Eyewear

Our Vision: Open your eyes, enjoy your life!

ABOUT

d'Atri Eyewear was founded in 2017 in the heart of the charming Italian town Lucera, where it has grown steadily, earning recognition both locally and abroad. Our mission is to celebrate the timeless excellence of Italian craftsmanship through our unique eyewear. Glasses are not only functional but steeped in history, constantly evolving, and rich with emotional significance.

Our frames are the result of expert craftsmanship, each pair 100% hand-crafted in Italy by master artisans who meticulously transform high-quality raw materials—sourced primarily from Italy—into eyewear that feels as exceptional as it looks. Every design is infused with the joy, energy, and vibrancy of contemporary Italian life, creating pieces that blend the spirit of our heritage with an internationally refined aesthetic.

With designs inspired by local Italian landscapes, architecture, and culture, d'Atri Eyewear captures the essence of Italy and reimagines it for a global audience. Each pair stands as a testament to Italian style and quality, blending artistry and elegance that transcend trends, making d'Atri Eyewear a symbol of distinction and excellence worldwide.

Manual craftsmanship has always been an excellence of Italian Handicraft, a timeless value.

Our glasses are made with the expertise of our craftsmen using the best raw materials, in each step of the supply chain production, mainly Italian.

The design of our creations starts from a local inspiration and is positioned as an excellence of style at global level.
